

A Meadows Behavioral Healthcare Program

Admissions: 866-352-2075

Let our trained experts help vou determine if our program is the right fit for your needs.

THE MOST TRUSTED NAME IN TRAUMA & ADDICTION TREATMENT

For more than 45 years we've been helping people overcome addiction, heal unresolved emotional trauma, and develop the tools they need to transform their lives. Whether you or someone you love is entering treatment for the first time or struggling with a relapse, our time-tested Meadows Model is unparalleled in producing successful outcomes that translate to lasting recovery.

ABOUT US

Are addiction, trauma, or mental health issues holding you back from living the life you want? Are they negatively impacting your relationships, family, or career? At The Meadows, we don't believe in quick fixes. Instead, we focus on getting to the root causes so you can find deep healing and experience lasting recovery. For nearly five decades we've been helping men and women overcome addiction, heal unresolved emotional trauma, and develop the tools they need to transform their lives.

WHO WE TREAT

PROGRAMMING

We believe that successful treatment combines a diverse range of powerful treatment methods that work together to foster support, discovery, and healing. The Meadows' highly individualized treatment approach encompasses the Meadows Model to address emotional trauma and addiction with a multi-disciplinary emphasis. Group and one-on-one therapy, techniques like Somatic Experiencing and neurofeedback, holistic offerings, the guidance of our expert Senior Fellows, incorporating family, and our Fuel Well nutrition initiative all combine to create a program like no other.

PROGRAM OFFERINGS

- Individualized treatment
- Full medical assessments
- Small group sessions
- Detox (if needed)
- Psychiatric support
- Eye Movement Desensitization and Reprocessing (EMDR)
- Family week workshop

BRAIN CENTER

In addition to traditional therapeutic modalities, we offer regular biofeedback/neurofeedback sessions designed to decrease the physical manifestation of trauma in the body and balance and regulate the brain. Each patient will make multiple visits to our Brain Center each week to enhance the treatment and recovery process.

JERRY L. LAW, DMIN, MDAAC, CSAT, CMAT, CIP Executive Director, The Meadows

Dr. Jerry Law began his tenure as executive director of The Meadows, Meadows Behavioral Healthcare's flagship treatment program, in September 2021. Prior to that, he served as the executive director of both Gentle Path and Willow House at The Meadows, residential programs specializing in relationship disorders, sex addiction, substance abuse disorders, and co-occurring behavioral health disorders.

As executive director, Dr. Law oversees the day-to-day operations of the program and works closely with the clinical team in providing world-class treatment as well as advocating for service excellence in the care provided. He works closely with senior leadership and our Senior Fellows, ensuring the continuity of care for which The Meadows is known worldwide.
